## Daily Employee Screening Checklist

## WorkSafe

Source: Wyoming Department of Public Health

Can start work if temperature is below 100° F, and no subjective fever or any of the following symptoms reported.

Employee ID# Phone Email				Job Title									
				Supervisor									
If employee displays symptoms or needs a physician, call <b>(307) 288-9105</b> 24/7 to speak with a live Care Coordinator (bilingual reps always available).			CHIL	ONGESTION	RUMPY BUEGES	ARHER CATIC	JE UNE CON	joined Joietivel	A CHES	AVOMING	TASTE NESS BREAT	RET HOAT
